We are the university that will lead you to grow without limits. We are located in the State of Florida, United States, we offer high-quality education and academic rigor, which will allow you to access better job opportunities with a degree of great value and prestige. Our programs are taught in Spanish and English, so there are no barriers to benefit from an education that will give you the tools that will take you to the highest professional level.

■ MISSION

We are committed to building the society of the future by training leaders who reflect our principles and values and spread our philosophy of ethics and respect. We are a university that through technological advances wants to promote education and achieve a research community that transcends geographical barriers. Our goal is to be an example of quality and service not only with our students, but with the entire university community. We want to be agents of change in society and build a better world.

■ VISION

We will be the impetus to create an innovative educational system that provides accessible educational pathways for the purpose of preparing students to be productive citizens with a global curriculum.

Associate Degree in **Business Entrepreneurship**

Duration of the program:

1 year and 4 months

Professional profile:

Prepares students for employment in a number of areas, such as: startup strategy and execution, product development, digital and social project management, media marketing, etc.

Graduation Profile:

This program provides the student with the understanding, trust, and relationships to turn their ideas into market-ready products, services, businesses, and social projects. The student experiences the success and satisfaction of life as a visionary entrepreneur, improving the world, creating jobs, and providing a positive future for himself and others.

Possible jobs:

Entrepreneurs can work both from the comfort of home in their new venture, as well as in companies offering administration, counseling and business management services.

Benefits:

This program will help the students understand the context, concerns and language of entrepreneurship and will prepare them to enter the market with their own business.
